This Application is free of charge and may be duplicated.

Application Deadline: April, 20, 2013

Program Description: Secondary school students and educators from Algeria are invited to apply for participation in the Youth Leadership Program with Algeria. The four-week U.S.-based exchange program, tentatively scheduled for June 13-July 14, 2013 in Reno and Lake Tahoe, Nevada, will focus on the primary themes of civic education, youth leadership development, respect for diversity, and community engagement, and the sub-theme of applied communications. Participants will engage in a variety of activities, such as workshops on leadership and service, community site visits related to the program themes, interactive training and discussion groups, small group work, presentations, local cultural activities, home stays with American families, and other activities.

The program will be intensive, academic, and highly interactive, and will provide the student and adult participants with a better understanding of civic participation and the rights and responsibilities of citizens in a democracy. The program sponsors seek energetic applicants who are ready to develop their skills in order to be effective leaders in their schools and communities.

Adult participants in this program take on a unique role as a participant role model and as an active program participant. We expect the adult participants to be fully engaged in program activities while serving as a liaison between youth participants and program staff, should problems arise.
